

AIMS 7TH ANNUAL HIGH SCHOOL REPORT CARD (RC7)

New Brunswick Anglophone High Schools

Upper Miramichi Regional High School in Boiestown achieves an 'A' grade and returns to the top spot in New Brunswick's Anglophone sector, the same spot it held in AIMS 5th annual report card. Last year it was unranked because there wasn't enough information on its students' results at post-secondary institutions. Kennebecasis Valley High School maintains a 'B+' to take second place. Hartland Community School improved from a 'C+' to a 'B+' to rank third. Sir James Dunn Academy also saw a notable improvement ('B-' to 'B+').

A few schools saw marked declines, including last year's top school. Grand Manan Community School dipped from an 'A-' to a 'B-' primarily due to a drop in achievement by its students at university and community college. Nackawic Senior High School fell from a 'B' to a 'C' also due largely to a decline in post secondary achievement.

There are schools that do not receive an overall grade because information is missing for the three year rolling average used for this report. In some cases, it is to protect the privacy of students. For instance, in the case of post-secondary achievement, if we can not collect the data from at least two post-secondary institutions with results for at least five students, then the data is not included and no grade is given.

General

- Grades are based on a three year rolling average. If a school does not have at least two years of data for a particular measure it will not receive a grade for that measure. RC7 is based on data from the school years 2004/05, 2005/06, and 2006/07.
- New Brunswick learning centres and private schools are not reported and no partial data is available for them.
